

ABINGTON MONTHLY MEETING

Right Sharing of Resources Fund

Disbursement Application

The Peace & Social Justice Committee (P&SJ) of Abington Friends Meeting believes that Right Sharing Funds should be used to support and empower people in the local community with whom the Meeting will be establishing an ongoing relationship. P&SJ defines "local community" as a place within one day's driving distance (round trip) of Abington Friends Meeting.

Right Sharing Funds will create an opportunity for the Meeting to establish and maintain a symbiotic relationship with recipients, one that is less driven by a beneficent gift from the Meeting than by the Meeting becoming actively involved with the recipients to help them achieve their goals. So that funding grants do not become "institutionalized," applications for new funding as well as those for previously funded efforts will be encouraged each year.

The Right Sharing Fund is not an emergency fund. Therefore, all applications for using the fund will be considered simultaneously. They must be submitted to P&SJ by the **deadline of 5 PM on Sunday, December 1, 2024**. Applications received after the stipulated date/time will not be considered.
